Seoul International Exhibition of Ecology & Environment

Fact File

Representatives of 35 national and international ecological societies will be present

Seoul is a very safe, clean, friendly and vibrant city

Seoul has excellent public transport systems (a web of subways, inexpensive buses and taxis)

Accommodation ranges from university dormitories (\$15/day) to five-star luxury hotels

COEX is one of the largest and the state-of-the-art convention centers in Asia

COEX complex offers many food outlets and restaurants with a wide range of cuisines

Everything you need is within the COEX complex: hotels, a department store, restaurants,
a shopping mall, entertainment facilities, etc.

Easy access to COEX from Incheon International Airport by Airport Limousine Buses and
City Air Terminal for return check-in

Hosted by *The International Association for Ecology, The Ecological Society of Korea,
The Ministry of Environment of Korea*

Sponsored by *Kookmin Bank, Asiana Airlines, The Korea Research Foundation,
Seoul Metropolitan Government, The Korea Science and Engineering Foundation,
The Ecological Society of Japan, International Long-Term Ecological Research Network,
The Ecological Society of America, International Association for Landscape Ecology,
The British Ecological Society, The Korean Federation of Science and Technology Societies,
The Korean Association of Biological Sciences, Korean Forestry Society,
Korean Institute of Landscape Architecture*
